EDUBYTEZ · SOCIAL SCIENCE · GRADE 9 · PART 2

Explore & Create

Edubytez Activity Book

Puzzles, maps, role-plays, projects and reflections for every chapter of the NCERT textbook *Understanding Society: India and Beyond* (Grade 9, Part 2)

Name _____ Class and Section _____

Roll No. _____ School _____

BEFORE YOU BEGIN

How to Use This Book

Each chapter has warm-ups, puzzles, map work, creative tasks and a self-check. Work alone, in pairs or in groups, as your teacher guides you.

Activity symbols

Think
Warm up your brain

Puzzle
Crosswords and word searches

Label
Name the parts of a diagram

Match
Join the pairs

Map
Locate and mark places

Create
Draw, design, invent

Write
Explain in your own words

Role-play
Step into someone's shoes

Reflect
Check what you can do

Contents

1	Oceans and Life	3
2	Life on Earth	9
3	Resistance and Resilience	15
4	Governance and Public Policy	21
5	Managing Your Personal Finances	27
6	From Ideas to Startups	33
✓	Answer Key (for teachers)	41

Tips: Use a pencil for puzzles. Paste outline maps where asked. Fill the "I can..." table honestly: it helps you and your teacher plan what to revise.

Name _____

CHAPTER 1

Oceans and Life

Dive under the sea, ride the waves, track a cyclone and find out **who owns the ocean**!

1.1 K-W-L Warm-Up

THINK

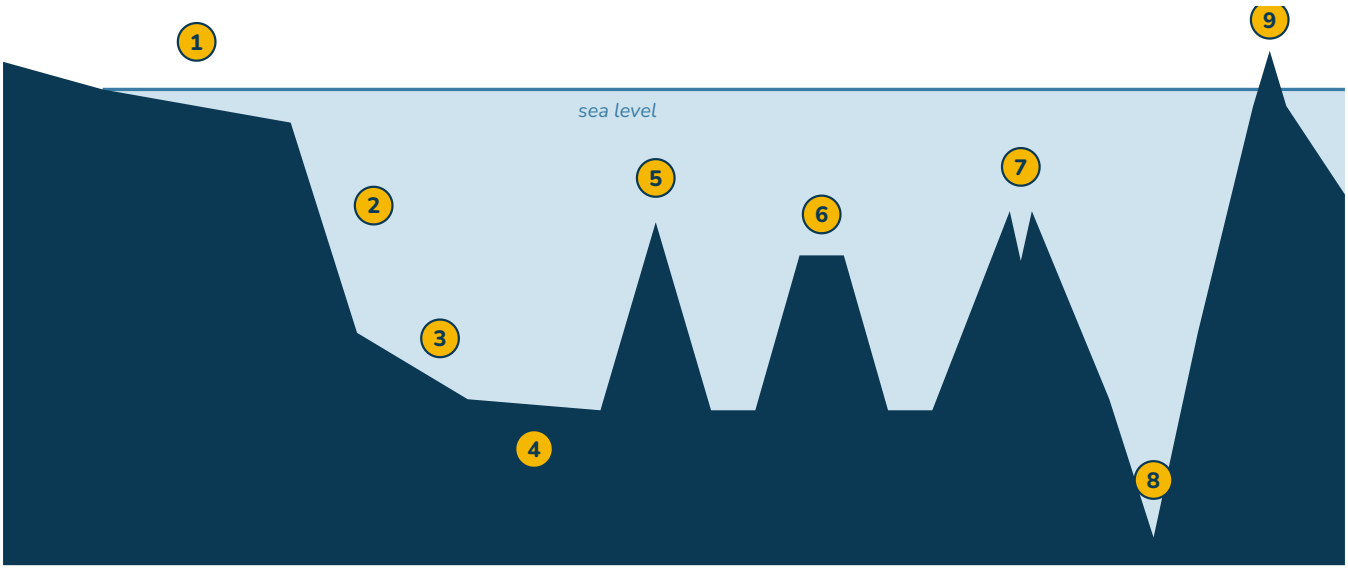

Fill the first two columns before we start the chapter. Come back to the last column at the end.

What I already Know about oceans	What I Want to find out	What I Learnt (fill in at the end)

1.2 Label the Ocean Floor

LABEL

Write the name of each numbered feature.

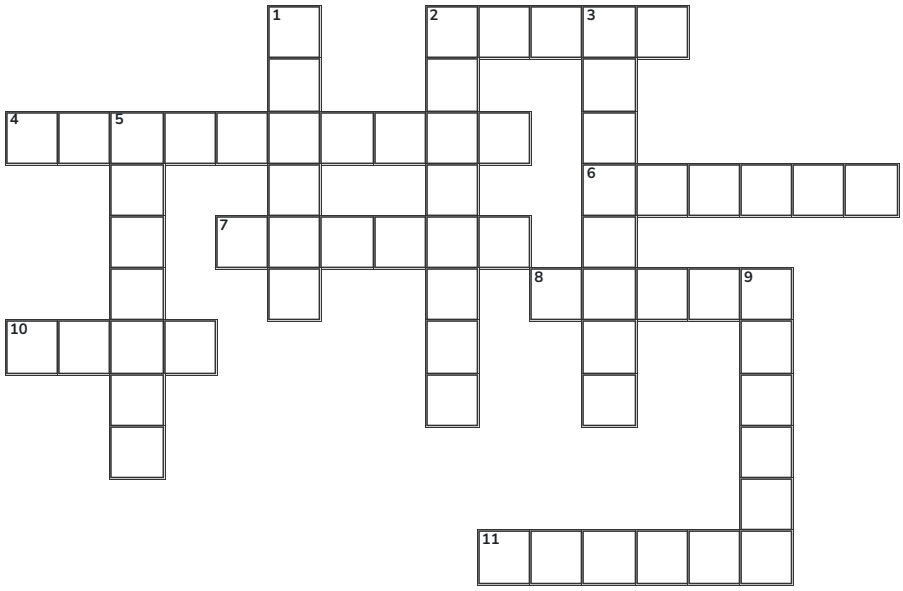

Word bank: continental shelf · continental slope · continental rise · abyssal plain · seamount · guyot · mid-ocean ridge · ocean trench · volcanic island

No.	Feature	No.	Feature	No.	Feature
1		4		7	
2		5		8	
3		6		9	

Name _____

1.3 Crossword: Ocean Words

PUZZLE

Across

2. The highest point of a wave (5)

4. Mapping of underwater topography (10)

6. Convention to prevent pollution from ships (6)

7. UN law that defines the EEZ (6)

8. A flat-topped underwater mountain (5)

10. Tide when the Sun and Moon pull at right angles (4)

11. The deepest part of the ocean (6)

Down

1. Handheld device that brings satellite alerts to fishers (6)

2. Force from Earth's rotation that deflects moving water (8)

3. An underwater volcanic mountain that does not reach the surface (8)

5. Giant wave caused mainly by an undersea earthquake (7)

9. The lowest point of a wave (6)

1.4 True or False?

QUIZ

Circle T or F. Correct the false ones in your notebook.

(T) (F) The Mid-Ocean Ridge is the world's longest mountain range.

(T) (F) Seamounts always rise above the sea surface.

(T) (F) Warm currents are usually shown in blue on maps.

(T) (F) The high seas cover about 64% of the world's oceans.

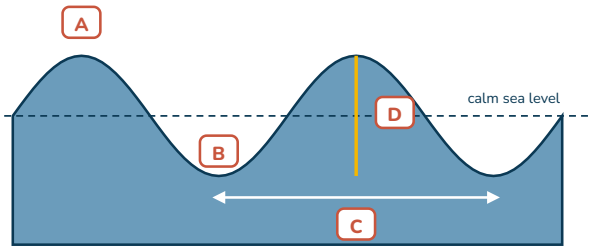

(T) (F) Under innocent passage, foreign ships may fish in territorial waters.

(T) (F) North Indian Ocean cyclones are named from a list given by 13 countries.

Name _____

1.5 Waves and Tides — LABEL

The wave

A _____ B _____
C _____ D _____

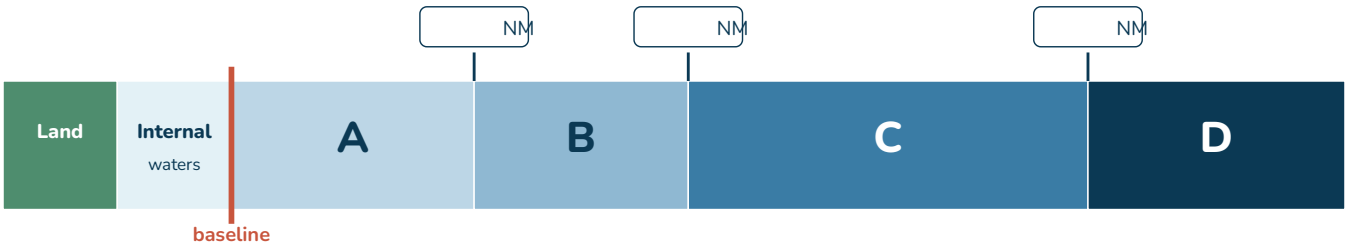

Tide detective

Word bank: spring · neap · flood · Khambhat

1. Full and new moon days bring _____ tides.
2. Sun and Moon at right angles bring _____ tides.
3. High tide is _____ tide; low tide is ebb tide.
4. The Gulf of _____ has a tidal range of about 12 m.

1.6 Map the Maritime Zones — LABEL

Name zones A–D and fill in the distances (in nautical miles) in the boxes.

A _____ B _____ C _____ D _____

1.7 Match the Ocean Guardians — MATCH

Write the correct letter in the brackets.

1.	GEMINI device	( )	**a)**	Prevents pollution from ships
2.	ITEWC	( )	**b)**	Forecasts storm surges and coastal flooding
3.	NCRMP	( )	**c)**	Tsunami warning network with buoys
4.	SSEWS (INCOIS + IMD)	( )	**d)**	Satellite alerts on fishers' phones
5.	UNCLOS	( )	**e)**	Rules to prevent collisions at sea
6.	COLREGs	( )	**f)**	Cyclone shelters and a Decision Support System
7.	MARPOL	( )	**g)**	Defines maritime zones such as the EEZ

Name _____

1.8 Word Search: Into the Blue

PUZZLE

Find 12 hidden words. They run across, down, diagonally and even backwards!

M	L	A	R	O	C	O	C	M	T	G	F	Y
H	I	Y	F	L	E	H	S	U	K	U	B	H
M	T	I	D	E	S	E	H	O	J	L	J	R

T	M	N	U	O	Y	W	H	D	M	M	R	K
P	H	S	V	C	V	A	C	B	G	P	E	F
P	T	L	Y	U	G	V	O	V	V	E	N	U
B	U	O	Y	W	U	E	Y	W	I	H	T	P

CURRENT · CYCLONE · TSUNAMI · TRENCH · OCEAN · RIDGE · TIDES · CORAL · SHELF · WAVE · GULF · BUOY

1.9 Map Work: India's Coasts

MAP

Paste an outline map of India here

1. Mark **five coastal states** that need tsunami warnings.
2. Mark the tidal energy sites: **Gulf of Kutch, Gulf of Khambhat, Sundarbans**.
3. Mark **three famous beaches**.
4. Mark **Dwarka** (Bhadkeshwar Mahadev Temple).
5. Shade the **Arabian Sea, Bay of Bengal** and **Indian Ocean** in blue.

Use a key (legend) for your symbols!

Name _____

1.10 Think and Write — WRITE

a) A foreign ship is sailing through India's territorial sea. Which principle allows this, and on what conditions?

b) What rights does a country have over resources in its EEZ?

c) Why are places where warm and cold currents meet good fishing grounds?

1.11 Save Our Seas Poster — CREATE

Draw your poster

My slogan: _____

1.12 My Family Safety Plan — LIFE SKILL

If we get a **cyclone or tsunami alert**, my family will:

1. _____
2. _____
3. _____
4. _____
5. _____

Ask: Where is our nearest cyclone shelter?

Name _____

1.13 Ocean Treasure Sort — SORT

Sort the marine resources. Then circle the ones that are part of 'blue energy'.

coastal fish | natural gas | seaweed (SAV) | sand and gravel | oceanic fish | tidal energy | bioactive products | offshore wind | deep-sea minerals | marine bio-organisms

LIVING resources	NON-LIVING resources

1.14 Blue Economy Pledge — REFLECT

Write three things **you** will do to keep our seas and rivers healthy (think SDG 14: Life Below Water).

_____

_____

_____

1.15 How Did I Do? — REFLECT

I can...	Got it!	Almost	Need help
Name and describe the features of the ocean floor	☺	◐	☹
Explain spring and neap tides with a diagram	☺	◐	☹
Tell warm currents from cold currents, with examples	☺	◐	☹
Explain how a tsunami warning reaches people	☺	◐	☹
Classify marine resources and explain the Blue Economy	☺	◐	☹
Describe the maritime zones and why rules of the sea matter	☺	◐	☹

Name _____

CHAPTER 2

Life on Earth

Earth is a giant **patchwork quilt** of biomes. Explore who lives where, and how people and nature depend on each other.

2.1 K-W-L Warm-Up

THINK

Fill the first two columns before we start the chapter. Come back to the last column at the end.

What I already Know about biomes and forests	What I Want to find out	What I Learnt (fill in at the end)

2.2 My Biome Passport

ORGANISE

Fill in the passport for each biome. Stamp it with a small drawing!

Biome	Climate	Plants	Animals	One place (map)
Forest				
Grassland				
Desert				
Tundra				
Aquatic				

Name _____

2.3 Layers and Levels — LABEL

Rainforest layers (top to bottom)

A

B

C

D

Write the layer name in each white box, and one animal that lives there.

Build a biome pyramid

Label the four levels. Add a food chain from an Indian forest. Draw an arrow to show how **energy** changes going up.

2.4 Two Camels, Two Climates — COMPARE

	Rajasthan camel (Thar)	Nubra Valley camel (Ladakh)
Type of desert		
Fur or coat		
Why this adaptation?		

2.5 True or False? — QUIZ

(T) (F) Grasslands develop where rain is too little for dense forests.

(T) (F) The Gobi is a hot desert.

(T) (F) Aquatic biomes cover about three-fourths of Earth's surface.

(T) (F) Energy increases as we go up a biome pyramid.

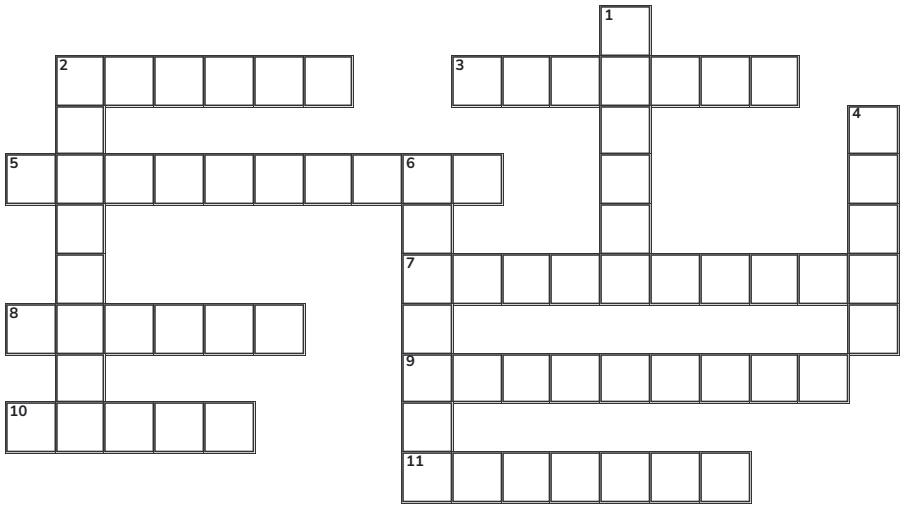

(T) (F) About 36% of India's forest cover is prone to forest fires.

(T) (F) Sacred groves are large national parks run by the government.

Name _____

2.6 Crossword: Living Planet

PUZZLE

Across

2. The coldest biome (6)

3. Grow with mosses in the tundra (7)

5. Soil that stays frozen almost all year (10)

7. Nature-friendly travel that supports local people (10)

8. Thick roof of leaves in a rainforest (6)

9. Plants and algae at the base of the pyramid (9)

10. Three-sided reservoirs funded by Gond kings (5)

11. Tropical grassland with scattered trees (7)

Down

1. Movement in which village women hugged trees (6)

2. 'Honey Hill': India's first planned ecotourism site (8)

4. Large natural region with similar climate, plants and animals (5)

6. Temperate grasslands of Asia (7)

2.7 Fill in the Blanks

RECALL

Word bank: Cancer · salt · 2006 · Raj

1. Tropical rainforests lie between the Tropic of _____ and the Tropic of Capricorn.
2. The Rann of Kutch is one of the world's largest _____ deserts.
3. The Forest Rights Act was passed in _____.
4. Mendha Lekha's motto is 'Mawa Nate Mawa _____'.

2.10 Guardians of the Forest

SORT

collect tendu and mahua | fight forest fires | medicinal plants | Bishnoi and Chipko movements | firewood and fodder | keep traditional knowledge | honey and lac | regulate tree cutting

Forest dwellers DO for forests	Forests GIVE forest dwellers

Name _____

2.8 GI Tag Detective

MATCH

Match each GI-tagged forest product with its state.

1. Ramban Sulai Honey	( )	**a)**	Tripura
2. Tezpur Litchi	( )	**b)**	Jammu and Kashmir
3. Channapatna Toys	( )	**c)**	Meghalaya
4. Kandhamal Haldi	( )	**d)**	Tamil Nadu
5. Erode Turmeric	( )	**e)**	Assam
6. Tripura Queen Pineapple	( )	**f)**	Tamil Nadu, Keralam, Karnataka
7. Khasi Mandarin	( )	**g)**	Karnataka
8. Nilgiri Tea	( )	**h)**	Odisha

2.9 Local Life Detective

EXPLORE

Walk around your village, colony or campus and record what you see.

Component type	Examples I observed	How it interacts with humans
Trees / plants		
Insects		
Animals and birds		
Non-living things		

Name _____

2.11 Word Search: Wild India

PUZZLE

A	E	N	A	C	E	O	B	A	T	G	S	H
H	D	W	D	K	L	A	R	O	C	L	C	P

GRASSLAND · MANGROVE · WETLAND · HOTSPOT · FOREST · DESERT · TUNDRA · BAMBOO · CORAL · BIOME · HONEY · TIGER

2.12 Map Work: Biodiversity Treasure Hunt

MAP

Paste an outline map of India here

1. Namdapha National Park
2. Rann of Kutch
3. Gahirmatha beach
4. Gulf of Mannar
5. Pachmarhi
6. Achanakmar–Amarkantak
7. One national park of **your** state

Find one special plant or animal from each place.

Name _____

2.13 Forest Fire Action Plan — PLAN

Causes	Losses	Prevention	What to do (mitigation)

2.14 Gram Sabha Role-Play Notes — ROLE-PLAY

Proposal: A company wants to clear 50 ha of village forest for a resort. **My role:** _____

My three points:

My vote and why:

2.15 How Did I Do? — REFLECT

I can…	Got it!	Almost	Need help
Explain what a biome is and how it differs from an ecosystem	☺	◐	☹
Describe forest, grassland, desert, tundra and aquatic biomes	☺	◐	☹
Draw a biome pyramid and explain energy flow	☺	◐	☹
Explain how geography shapes conservation	☺	◐	☹
Describe how forest dwellers use and protect forests	☺	◐	☹
Give examples of GI tags, schemes and community commons	☺	◐	☹

Name _____

CHAPTER 3

Resistance and Resilience

Seven centuries (1000–1700 CE) of courage, faith and enterprise. Become a **history detective**!

3.1 Resistance or Resilience? SORT

Sort the cards. Some may show both! Be ready to explain.

- Naiki Devi defeats Muhammad Ghuri
- Devotees turn to nam kirtan
- Maharana Pratap's guerrilla warfare
- Haveli-style temples in narrow lanes
- Lachit Borphukan wins at Saraighat
- Epics translated into regional languages
- Muthu Virappa Nayak mocks the slipper
- Ahilyabai Holkar rebuilds Kashi Vishwanath

RESISTANCE (opposing a threat)	RESILIENCE (enduring and adapting)

3.2 Timeline Builder SEQUENCE

Write the year of each event, then number them from earliest (1) to latest (10).

Event	Year	Order (1–10)
Battle of Haldighati		
Delhi Sultanate established		
Battle of Kasahrada		
Khalsa established		
Vijayanagara Empire established		
Battle of Saraighat		
First Battle of Panipat		
Shivaji crowned Chhatrapati		
Mahmud of Ghazni defeats Jayapala		
Battle of Khanua		

Name _____

3.3 Who Am I? RIDDLES

1. I am a Chaulukya queen who defeated Muhammad Ghuri in 1178.
   I am _____
2. I am the Ahom commander who defeated a Mughal fleet at Saraighat.
   I am _____
3. I am a potter's daughter who wrote the Ramayana in Telugu.
   I am _____
4. I ended the Madurai Sultanate and restored temples at Kanchipuram and Srirangam.
   I am _____
5. I set up the Akal Takht, a seat of temporal authority.
   I am _____
6. I led the Jats in rebellion in 1669.
   I am _____
7. I wrote the Amukthamalyada and asked rulers to manage ports well.
   I am _____
8. I wrote the Ramcharitmanas in Awadhi.
   I am _____

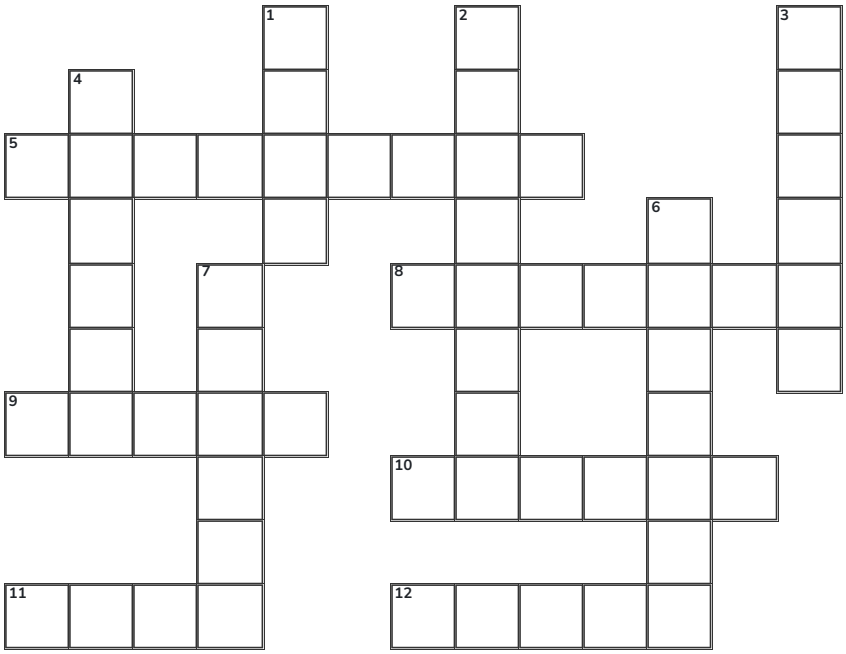

3.4 Match the Makers of History MATCH

1.	Battle of Haldighati	( )	**a)**	Rana Sanga
2.	Battle of Khanua	( )	**b)**	Maharana Pratap
3.	Battle of Saraighat	( )	**c)**	Akbar
4.	Founding of Vijayanagara	( )	**d)**	Sankardev
5.	Establishing the Khalsa	( )	**e)**	Lachit Borphukan
6.	Kirtana Ghosha	( )	**f)**	Guru Gobind Singh
7.	Sulh-i-kul	( )	**g)**	Harihara and Bukka

Name _____

3.5 Crossword: Words from the Past

PUZZLE

Across

5. Community singing of devotional songs (9)

8. Trading community linking villages and towns (7)

9. Armed Sikh group that defended territories (5)

10. Money-changer who ran hundis (6)

11. Land revenue assigned to commanders instead of salary (4)

12. Bill of exchange, like a cheque (5)

Down

1. Ahom military-administrative system (4)

2. Self-rule: the Maratha ideal (8)

3. Rank given by the Mughals (6)

4. House-like temples: ___ temples (6)

6. Light, fast Ahom river boats (7)

7. Sikh order established in 1699 (6)

3.8 Bhakti Saints Across India

ORGANISE

Saints: Kabir · Mirabai · Tulsidas · Guru Nanak · Lal Ded · Surdas · Chaitanya Mahaprabhu · Sankardev · Jayadeva · Krittibasa · Tukaram · Namadeva · Janabai · Narasimha Mehta · Basavanna · Annamacharya · Pothana · Madhvacharya

North and Central	East	West	South

Name _____

3.7 Design a Fort

DESIGN

You are a military architect. Draw a labelled plan, then tick each part you included.

☐ residential complex ☐ defensive walls ☐ water source ☐ food storage ☐ escape route ☐ watchtower ☐ administrative area

How my fort survives a long siege:

3.6 Source Detective

ANALYSE

"O Pratap, you kept your horses unbranded, your head unbowed, your fame untarnished... You never participated in the Nauroz festival, nor did you mount guard for the imperial presence during Jharokha Darshan." (Dursa Arha)

a) Identify two actions that show Pratap kept his independence.

b) Why might a poet write these lines after a ruler's death?

Name _____

3.9 Word Search: Kingdoms and Courage

PUZZLE

3.10 Design Your Own Hundi

CREATE

Write the amount, the sender's city, the receiver's city, the sarraf's name, and add a seal

Why was a hundi safer than carrying coins?

Name _____

3.11 Voices from the Past: A Diary Entry

WRITE

Choose one: **a Bhakti saint · a Rajput soldier · an Ahom commander · a Maratha administrator · a merchant · a Jat leader**. Write what **resilience** means to you.

Dear Diary, (Date: _____)

3.12 How Did I Do?

REFLECT

I can...	Got it!	Almost	Need help
Explain resistance and resilience with examples	☺	◐	☹
Describe how Rajputs, Ahoms, Vijayanagara, Marathas, Sikhs and Jats resisted	☺	◐	☹
Explain why some Rajputs chose alliances with the Mughals	☺	◐	☹
Explain how Bhakti built solidarity and resilience	☺	◐	☹
Describe the role of temples and how temple design adapted	☺	◐	☹
Explain how farming, the hundi and trade kept the economy strong	☺	◐	☹

Name _____

CHAPTER 4

Governance and Public Policy

Who fixes the potholes, plans the parks and checks that it all works? Discover how **decisions become action**.

4.1 Government or Governance? SORT

Parliament | Citizens report broken street lights on an app | The Supreme Court | Planning, building and checking drains with residents' feedback | Legislature, Executive and Judiciary | Media highlights pollution and the city acts | The municipal corporation | Monitoring a scheme and improving it

GOVERNMENT (who governs)	GOVERNANCE (how it is done)

4.2 Flood Response Web EXPLORE

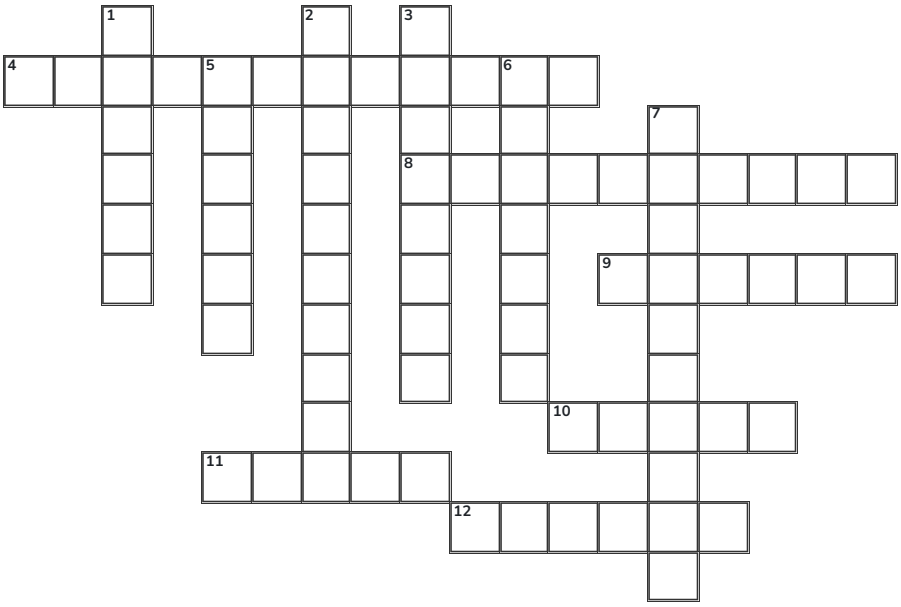

Fill in the roles. Then add one thing citizens can do before the rain comes.

Who?	What do they do when the town floods?
Municipal corporation	
Public Works Department	
Police	
School authorities	
Health workers	
Local representatives	
Residents (like me!)	

Name _____

4.3 Crossword: Governance Words

PUZZLE

Across

4. Decisions that are open and accessible (12)

8. App to store official documents digitally (10)

9. Chola symbol of righteous rule placed in Parliament in 2023 (6)

10. 'One Nation, One Student ID' (5)

11. One app for many government services (5)

12. A broad goal or direction set by the government (6)

Down

1. Rigvedic assembly, along with the Sabha (6)

2. A ruler's highest duty (10)

3. People's response that helps improve a policy (8)

5. A specific initiative that delivers benefits to people (6)

6. Online system to file grievances (7)

7. Process of making, implementing and monitoring decisions (10)

4.4 Features of Good Governance

MATCH

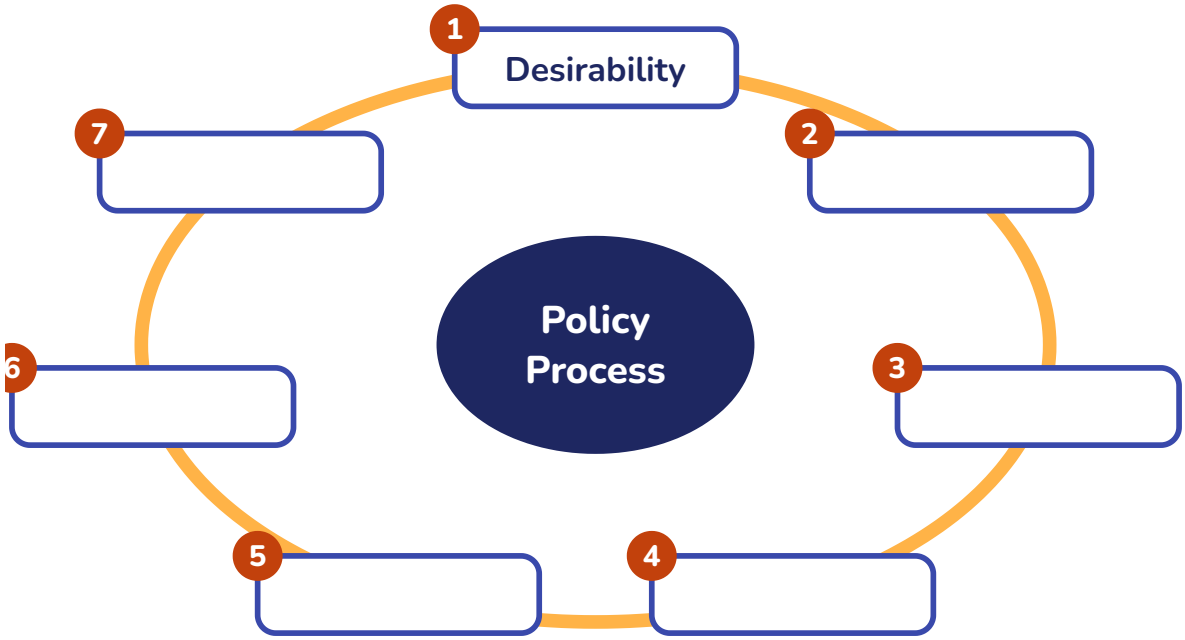

1.	Rule of law	( )	**a)**	Every citizen has equal opportunities
2.	Participation	( )	**b)**	Decisions are open and accessible
3.	Accountability	( )	**c)**	Government addresses people's needs
4.	Transparency	( )	**d)**	Public resources are used wisely
5.	Effectiveness	( )	**e)**	Everyone is equal before the law
6.	Responsiveness	( )	**f)**	Citizens take part in decisions
7.	Inclusiveness	( )	**g)**	Officials answer for their actions

Name _____

4.5 Complete the Policy Cycle

LABEL

Stage 1 is done for you. Write the other stages in order, going clockwise.

Word bank: Adoption · Evaluation · Formulation · Implementation · Monitoring · Prioritising

4.6 Policy or Public Policy?

CLASSIFY

Example	Policy / Public policy	Why?
The government introduces a sports policy		
Safe drinking water for every household		
A company allows work from home twice a week		
A municipality introduces waste segregation		
A housing society fixes visiting hours for guests		
Free vaccination for children		

Name _____

4.7 E-Governance Chart

RESEARCH

Initiative	Objective (what it does)
UMANG	
Aadhaar	
GeM	
DigiLocker	
CPGRAMS	
APAAR	
(our state) _____	
(our state) _____	

4.8 Then and Now Interview

INTERVIEW

Person interviewed: _____ Has a smartphone and internet? Yes / No

Service	Before e-governance	After e-governance
Birth certificate		
Admit card		
Marksheets		
Salary		
Rail/flight tickets		
Vehicle registration		

Name _____

4.9 Case Study: One Lakh Trees

ANALYSE

The government launches a programme to plant one lakh trees in a city. Funds are allocated, but only a few saplings survive because they are not watered or protected.

a) Which stage of the policy cycle seems weak?

b) Which organisations should coordinate?

c) Suggest two measures to improve the outcome.

4.10 Agree or Disagree?

DEBATE

Agree / Disagree **1.** Good governance is the responsibility of the government alone.

Agree / Disagree **2.** A good public policy can fail if it is not implemented properly.

Agree / Disagree **3.** Citizen participation may slow decisions but can improve governance.

Agree / Disagree **4.** Technology alone cannot ensure good governance.

Name _____

4.11 Design a School Policy

CREATE

You are on the student council. Present your proposal as a chart or slideshow.

Policy proposal	My plan
Issue chosen (plastic, water, road safety, energy, littering...)	
Why this issue?	
Proposed solution	
Who will implement it?	
How will students participate?	
How will we know it worked?	
Feedback loop	

4.12 How Did I Do?

REFLECT

I can...	Got it!	Almost	Need help
Explain the difference between government and governance	☺	◐	☹
List the features of good governance with examples	☺	◐	☹
Explain how e-governance helps, and its limits	☺	◐	☹
Explain what makes a policy 'public'	☺	◐	☹
Describe the stages of the policy cycle	☺	◐	☹
Explain the roles of stakeholders and citizens	☺	◐	☹

Name _____

CHAPTER 5

Managing Your Personal Finances

Earn, plan, save, grow and protect: become the **CFO of your own pocket money**!

5.1 The ₹100 Decision — THINK

Nani gives you **₹100**. My plan:

Spend ₹ _____ on _____

Save ₹ _____ for _____

Grow ₹ _____ by _____

Is my spending a need or a want? Why?

5.2 My Weekly Budget — PLAN

Money I receive this week (pocket money, gifts): ₹ _____ **Save first:** ₹ _____

Expense	Need / Want	Planned ₹	Actually spent ₹
Total			

Did I stay within my budget? What will I change next week?

Name _____

5.3 School Reopening Budget (₹3,000)

MONEY LAB

Item	Price found (₹)	Where I checked
School bag		
Books		
Uniform and shoes		
Notebooks		
Pens		
Pencils		
Art supplies		
Total expenses		
Savings (₹3,000 – total)		

If the total is **under ₹3,000**, add one item. If it is **over**, what will you postpone and why?

5.4 Needs or Wants?

SORT

Some may depend on the situation. Be ready to defend your choice!

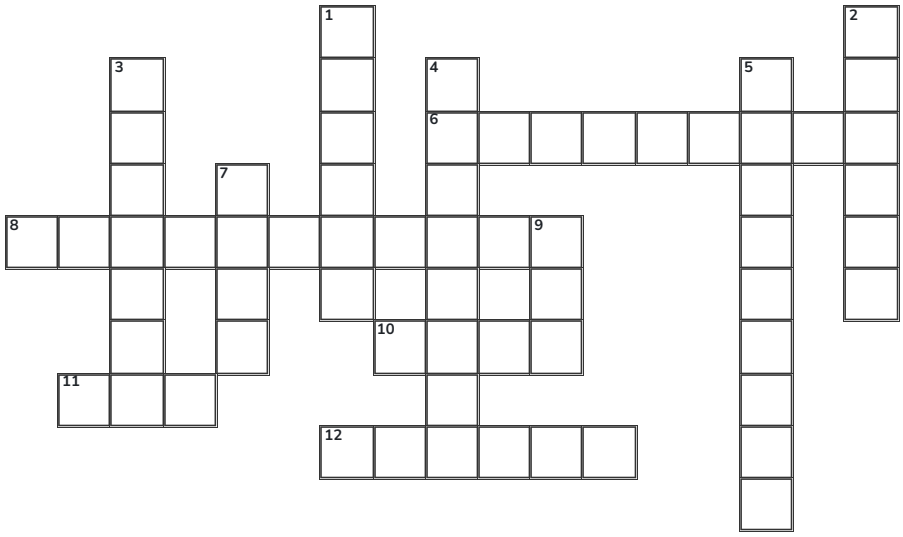

school fees | new mobile phone | better seeds or livestock feed | festival celebrations | water storage tank | branded shoes | medicines | cinema tickets | textbooks | pizza party

NEEDS	WANTS

Name _____

5.5 Crossword: Money Words

PUZZLE

Across

6. Rise in prices over time (9)

8. Earning returns on your returns (11)

10. Money owed to somebody (4)

11. Fixed monthly loan repayment (3)

12. A written plan to balance income and expenses (6)

Down

1. Setting money aside for the future (6)

2. Index of 30 big companies on the BSE (6)

3. Regular payment made for insurance (7)

4. Share of profit paid to shareholders (8)

5. How easily an asset turns into cash (9)

7. You lend money to the government or a company (4)

9. An indirect tax on goods and services (3)

5.6 Quick Money Maths

CALCULATE

1. A ₹1,000 bag; prices rise 6%. Next year it costs ₹ _____.
2. Sameer invests ₹500 at 8% for a year. He gets ₹ _____.
3. A ₹10,000 bond pays 5% a year. Interest after a year: ₹ _____.
4. Save ₹3,000 in 6 months for a bicycle: ₹ _____ a month.
5. Fridge on EMI: ₹3,000 × 12 = ₹ _____. Extra paid over ₹30,000: ₹ _____.

Name _____

5.7 Watch Money Grow (Compound Interest) — CALCULATE

Your family saves **₹30,000 at 8%** compound interest. Fill the table, then check with **$A = P(1 + r)^n$**.

Year	Amount at start (₹)	Interest at 8% (₹)	Amount at end (₹)
1	30,000		
2			
3			
4			
5			

Total interest earned in 5 years: ₹ _____ Why is the interest bigger every year?
_____

5.8 Risk Ladder and Investor Match — THINK

Which option suits each person? Why?

Write **FD, govt bond, mutual fund, stocks** on the steps from **lowest** to **highest** risk.

Dadi (68) wants safe, steady income: _____

Rohan (22) is investing for 20+ years: _____

Meera needs the money in 3 months: _____

Kabir wants growth but has no time to study markets: _____

Name _____

5.9 Which Insurance Helps? — MATCH

1.	A farmer's crop is destroyed by floods	( )	**a)**	Property insurance
2.	A family member needs hospital treatment	( )	**b)**	Life insurance
3.	A scooter is damaged in an accident	( )	**c)**	Crop insurance
4.	A shop catches fire	( )	**d)**	Cattle insurance
5.	A dairy cow dies of disease	( )	**e)**	Health insurance
6.	The family's breadwinner passes away	( )	**f)**	Motor insurance

5.10 Be the Tax Officer — CALCULATE

Use the new tax regime slabs (FY 2025–26), as in your textbook.

Annual income	Up to ₹4 lakh	₹4–8 lakh	₹8–12 lakh	₹12–16 lakh	₹16–20 lakh	₹20–24 lakh	Above ₹24 lakh
Tax rate	Nil	5%	10%	15%	20%	25%	30%

Sai: taxable income ₹3,80,000

Working, slab by slab

Tax = ₹ _____

Arjun: taxable income ₹16,00,000

Working, slab by slab

Tax = ₹ _____

Ravi: salary ₹15,75,000 (subtract ₹75,000 first)

Working, slab by slab

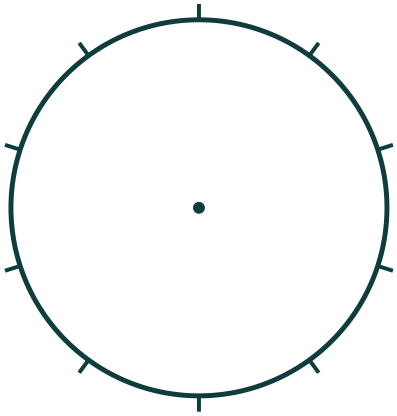

Tax = ₹ _____

Name _____

5.11 The Family's ₹1,00,000 Plan

PROJECT

Category	₹	%	Need / Want
Savings			
Education			
Household expenses			
Health and emergency fund			
Farm or business			
Home improvement			
Festivals and recreation			
Other			
Total	**1,00,000**	**100%**	

Each tick = 10% (₹10,000 = 36°). Draw your pie chart.

5.12 How Did I Do?

REFLECT

I can...	Got it!	Almost	Need help
Explain the five pillars of personal finance	☺	◐	☹
Make a budget and separate needs from wants	☺	◐	☹
Explain inflation and why investing helps	☺	◐	☹
Compare FDs, bonds, stocks and mutual funds	☺	◐	☹
Explain how insurance protects families	☺	◐	☹
Calculate income tax using slabs	☺	◐	☹

Name _____

CHAPTER 6

From Ideas to Startups

Every great business starts with a **problem worth solving**. Could the next big startup be yours?

6.1 My Entrepreneur Traits

REFLECT

Rate yourself from 1 (not yet) to 5 (that's me!). Circle one trait to work on.

Trait	1	2	3	4	5	One example from my life
Curiosity						
Risk-taking						
Perseverance						
Innovation						
Teamwork						
Planning						
Social responsibility						

6.2 Jataka Tale: Put It in Order

SEQUENCE

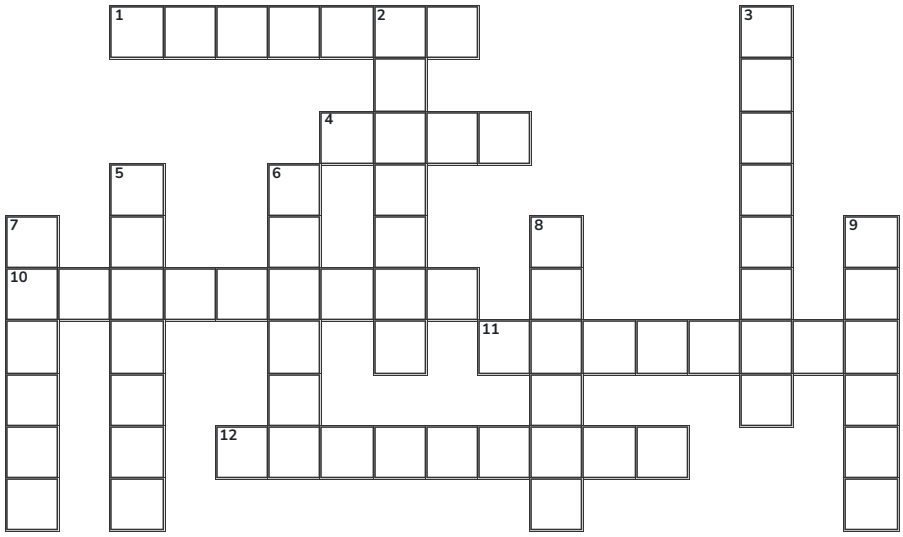

The young man…	Order
sells the flowers in the city	
picks up a dead mouse	
trades with foreign merchants	
sells the mouse for two coins to feed a cat	
gives half his fortune to the merchant	
gives fruit and water to a tired flower picker	
sells fallen branches as firewood after a storm	
opens a refreshment shop	

Lesson I learnt: _____

Name _____

6.3 Crossword: Startup Words

PUZZLE

Across

1. A young, early-stage company with an innovative idea (7)

4. The chance of loss that every entrepreneur takes (4)

10. Goods a business holds for production or sale (9)

11. A loan backed by collateral, like Oberoi's wife's jewellery (8)

12. Spreading awareness and driving sales (9)

Down

2. A startup valued at over 1 billion dollars (7)

3. Traditional trading and banking community of Tamil Nadu (8)

5. Total money earned from selling goods and services (7)

6. Tales that include the dead mouse story (6)

7. Women's cooperative that began with ₹80 in 1959 (6)

8. Revenue minus expenses (6)

9. Hotel pioneer who began as a ₹50-a-month clerk (6)

6.4 Which Functional Area?

SORT

hiring bakers | training staff in hygiene | posting on social media | festival discounts | recording daily sales | paying rent | checking cake quality | ordering flour on time

Operations	Finance	Human resources	Marketing and sales

Name _____

6.5 Profit Detective: The Nimbu Pani Stall

CALCULATE

Cost item	₹	Fixed or variable?
Lemons	150	
Sugar	70	
Ice and water	50	
Paper cups	80	
Banner	50	
Total cost		

We sold **100 glasses at ₹10** each. Revenue = ₹ _____ Profit = Revenue – Cost = ₹ _____

Two ways to increase profit next year:

_____

_____

_____

6.6 Fixed or Variable Cost?

SORT

shop rent | flour | oven | packaging boxes | insurance | sugar | delivery fuel | manager's monthly salary

FIXED costs (stay the same)	VARIABLE costs (change with output)

Name _____

6.7 Problem Spotter

EXPLORE

Observe your day at school and home for a week. Note 2–3 problems.

Problem I noticed	Who faces it?	How often?	Why not solved yet?	My business idea	Would people pay?

6.8 Design a Logo and Tagline

CREATE

My logo

Business name:

Tagline:

Why these colours and shapes?

Name _____

6.9 My Business Plan (Part 1)

PROJECT

Use your best idea from the Problem Spotter.

Section	My answers
a. Business idea (name, product or service, tagline)	
b. Entrepreneur profile (founders; why this idea; problem it solves)	
c. Target customers (students · tourists · parents · farmers · residents · businesses · others)	
d. Market research (what customers need; what already exists; how my idea is different)	
e. Product or service (key features and benefits)	

Name _____

6.10 My Business Plan (Part 2)

PROJECT

Section	My answers
f. Resources (people, finance, materials, technology, infrastructure)	
g. Operations plan (steps or a flow chart)	
h. Marketing plan (posters · school events · social media · local market · word of mouth)	
i. Financial plan (sources of money; monthly costs; expected revenue; profit = revenue – cost)	
j. Risks and challenges	
k. Social and environmental impact	
l. Why I believe it will succeed	

Name _____

6.11 Interview a Local Entrepreneur

INTERVIEW

Name and business: _____ (tailor, shopkeeper, factory owner…)

Why did you start your business?

What challenges did you face?

What risks did you take?

What did you learn from the journey?

6.12 Scheme Hunt: Help for Entrepreneurs

RESEARCH

Find government schemes that support entrepreneurs (newspapers, official websites, a bank).

Government scheme	Who can apply?	What support does it give?

Name _____

6.13 Word Search: Startup Street

M	B	H	W	D	N	A	L	T	E	W	O	E

2.2 Biome Passport (sample): Forest: hot and wet; dense trees; monkeys, birds; Amazon/A&N Islands. Grassland: moderate rain; grasses, few trees; lions, giraffes; prairies, steppes, savanna. Desert: very dry; cacti; camels, lizards; Sahara, Thar, Gobi (cold). Tundra: coldest, permafrost; mosses, lichens; reindeer, polar bear; Arctic. Aquatic: rivers, lakes, oceans, coral reefs; fish, whales, plankton.

2.3 Layers and Levels: Layers: A emergent, B upper canopy, C understory/lower canopy, D forest floor. Pyramid (bottom to top): producers, primary consumers (herbivores), secondary consumers (carnivores), tertiary consumers (top predators); e.g. grass, deer, tiger. Energy decreases going up.

2.4 Two Camels: Thar: hot desert, short thin coat to stay cool. Nubra: cold desert, thick dense fur to keep warm. Adaptations help animals survive their climate.

2.5 True or False: 1 T, 2 F (cold desert), 3 T, 4 F (decreases), 5 T, 6 F (small patches protected by communities)

2.7 Fill in the Blanks: Cancer, salt, 2006, Raj

2.10 Guardians: DO: fight forest fires, Bishnoi and Chipko movements, keep traditional knowledge, regulate tree cutting. GIVE: tendu and mahua, medicinal plants, firewood and fodder, honey and lac.

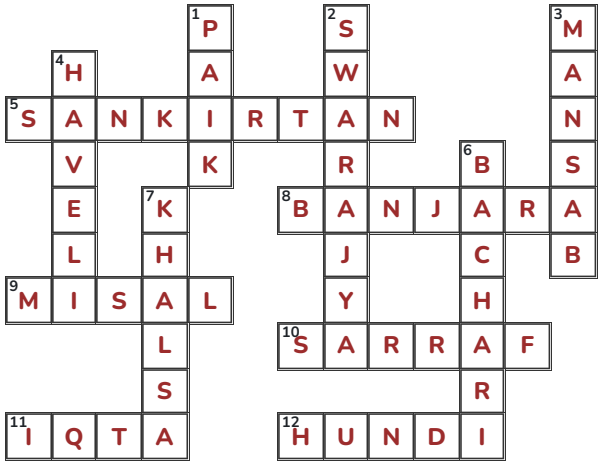

2.8 GI Tag Detective: 1–b, 2–e, 3–g, 4–h, 5–d, 6–a, 7–c, 8–f

2.12 Map Work: Namdapha: Arunachal Pradesh; Rann of Kutch: Gujarat; Gahirmatha: Odisha (olive ridley turtles); Gulf of Mannar: Tamil Nadu; Pachmarhi: Madhya Pradesh; Achanakmar–Amarkantak: Chhattisgarh–Madhya Pradesh.

2.13 Forest Fire Plan (sample): Causes: heat and dry leaves (climate change), careless campfires, burning fields. Losses: trees, wildlife, homes, livelihoods, air quality. Prevention: fire lines, awareness, no open fires, watch towers. Mitigation: alert forest department, evacuate, community fire-fighting, replant.

Chapter 3: Resistance and Resilience

O	H	P	J	I	P	Y	M	M	F	U	U	I
M	T	U	P	J	A	R	M	E	W	A	R	J

3.1 Sort: Resistance: Naiki Devi, Pratap's guerrilla warfare, Saraighat, the slipper story. Resilience: nam kirtan, haveli temples, translated epics, rebuilding Kashi Vishwanath. (Accept 'both' with good reasons.)

3.2 Timeline: Haldighati 1576 (7); Delhi Sultanate 1206 (3); Kasahrada 1178 (2); Khalsa 1699 (10); Vijayanagara 1336 (4); Saraighat 1671 (8); Panipat 1526 (5); Shivaji crowned 1674 (9); Mahmud defeats Jayapala 1001 (1); Khanua 1527 (6)

3.3 Who Am I?: 1 Naiki Devi; 2 Lachit Borphukan; 3 Atukuri Molla; 4 Kumara Kampana; 5 Guru Hargobind; 6 Gokul Jat; 7 Krishnadevaraya; 8 Tulsidas

3.4 Match: 1–b, 2–a, 3–e, 4–g, 5–f, 6–d, 7–c

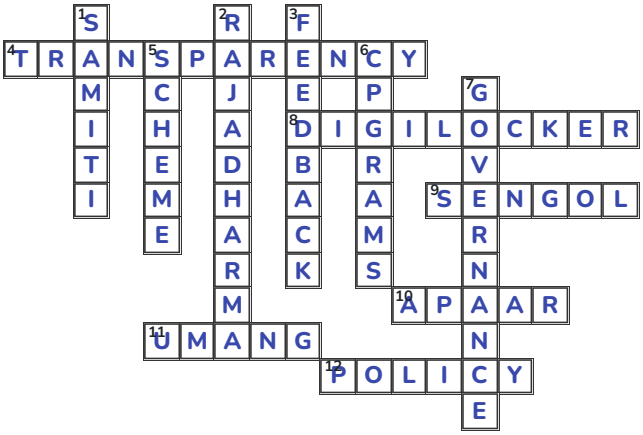

3.8 Bhakti Saints: North and Central: Kabir, Mirabai, Tulsidas, Guru Nanak, Lal Ded, Surdas. East: Chaitanya Mahaprabhu, Sankardev, Jayadeva, Krittibasa. West: Tukaram, Namadeva, Janabai, Narasimha Mehta. South: Basavanna, Annamacharya, Pothana, Madhvacharya.

3.6 Source: a) Never took part in Nauroz; never stood guard at Jharokha Darshan; horses unbranded; head unbowed. b) To honour him, preserve his memory and inspire others.

3.10 Hundi: No cash to be stolen on the road; trusted network of sarrafs and gumasthas; quick, secure long-distance payment.

Chapter 4: Governance and Public Policy

4.3 Crossword

4.1 Sort: Government: Parliament, the Supreme Court, Legislature/Executive/Judiciary, the municipal corporation. Governance: reporting street lights, planning drains with feedback, media and city response, monitoring and improving a scheme.

4.2 Flood Response: Municipal corporation: clears drains, removes garbage. PWD: repairs roads. Police: manage traffic. Schools: inform parents about closures. Health workers: prevent disease. Representatives: raise people's concerns. Residents: help neighbours, report flooded areas.

4.4 Match: 1–e, 2–f, 3–g, 4–b, 5–d, 6–c, 7–a

4.5 Policy Cycle: 1 Desirability, 2 Prioritising, 3 Formulation, 4 Adoption, 5 Implementation, 6 Monitoring, 7 Evaluation

4.6 Policy or Public Policy: Public policy: sports policy, drinking water, waste segregation, free vaccination (made by government for society). Policy: company work from home, housing society visiting hours (apply to a limited group).

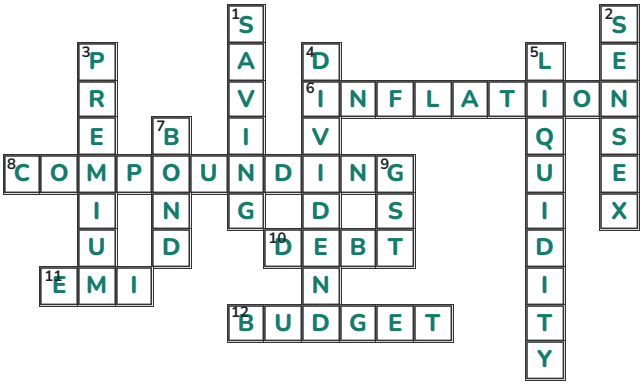

4.7 E-Governance: UMANG: one app for many government services. Aadhaar: unique 12-digit biometric ID for identity and direct benefits. GeM: online marketplace for government purchases. DigiLocker: store and share official documents. CPGRAMS: file and track grievances. APAAR: lifelong digital academic ID for students.

4.9 One Lakh Trees: a) Implementation and monitoring. b) Municipal corporation, forest/horticulture department, RWAs, schools, NGOs, citizens. c) Assign caretakers and water schedules; tree guards; community 'adopt a tree'; regular monitoring and feedback.

4.10 Agree or Disagree: 1 Disagree: it is a partnership with citizens, media, civil society and the private sector. 2 Agree: e.g. trees planted but not cared for. 3 Agree: participation adds ideas, ownership and accountability. 4 Agree: people need access and skills, and institutions must be honest and responsive.

Chapter 5: Managing Your Personal Finances

5.5 Crossword

5.4 Needs or Wants (suggested): Needs: school fees, better seeds/feed, water storage tank, medicines, textbooks. Wants: new mobile phone, branded shoes, cinema tickets, pizza party. Festival celebrations: a want, though culturally important (accept reasoned answers).

5.6 Money Maths: 1 ₹1,060; 2 ₹540; 3 ₹500 (₹10,500 at maturity); 4 ₹500; 5 ₹36,000 and ₹6,000

5.7 Compound Interest: Y1: 30,000 + 2,400 = 32,400; Y2: 32,400 + 2,592 = 34,992; Y3: 34,992 + 2,799.36 = 37,791.36; Y4: 37,791.36 + 3,023.31 = 40,814.67; Y5: 40,814.67 + 3,265.17 = 44,079.84. Total interest ₹14,079.84. Interest grows because it is earned on earlier interest too.

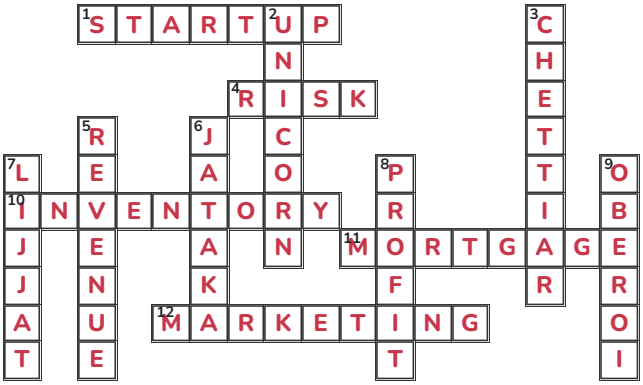

5.8 Risk Ladder: Lowest to highest: FD, government bond, mutual fund, stocks. Dadi: FD/government bonds; Rohan: stocks or equity mutual funds; Meera: savings account or short FD (liquidity); Kabir: mutual funds (professional management).

5.9 Insurance Match: 1–c, 2–e, 3–f, 4–a, 5–d, 6–b

5.10 Tax Officer: Sai: Nil. Arjun: 0 + 20,000 + 40,000 + 60,000 = ₹1,20,000. Ravi: taxable ₹15,00,000; 0 + 20,000 + 40,000 + 45,000 = ₹1,05,000. (Teacher's note: in real life a Section 87A rebate makes tax nil up to ₹12 lakh taxable income; the textbook method ignores rebates.)
